## CLUB OF MT. OLIVE

### CARING WITH BEARS

Whether it be a hospital stay, police situation or other crisis, the Kiwanis Club of Mt. Olive provides comfort bears to our local first responders and hospitals, making them available to children in potentially traumatic situations.

Project Chair, Kelly Moore, knows first hand the feeling of being a child, nervous and alone in the hospital.

At a young age, Kelly required frequent hospital stays and wished she had a bear as a source of comfort when her parents could not be with her in the hospital.

This experience prompted Kelly to create the 'Caring with Bears' project, which has provided over 300 comfort bears to children in and around the Mt. Olive area.

The gift of a bear can make a large impact in a child's life. Sponsoring a bear costs only \$12.00 while providing comfort to a child during a difficult time.

To sponsor a bear, please make a check payable to:
